Teacher must let the parents know if a child
 act out. Have meeting with parents and
 find a solution. The teacher, principal
 and parents must keep record of the
 child behavior everyday. Teachers must
 get qualification let they can know how
 to handle situations like this.

Always make the child feel Loved!
 There must be a child support system.

Question 5

Name 3 feelings children can experience during times of separation.

(6)

depressed

Insecure

Sad / confused.

Question 6

Reflect on question 5. How will you as the ECD educator help the child to deal with these feelings?

(4)

Teacher to be the child support system
 to let the child feel she or he can confide in
 her to tell teacher how they feel, child to feel
 teacher care, child to feel the teacher do not judge
 them when they tell her how they feel.

Question 7

How will you as the ECD educator help a child in your class to deal with the separation of his/her parents?

(4)

1. Pay attention to child feelings
2. Take its slow with the child do not force it out the child.
3. Ask parents about the situation at home so teacher knows.
4. Help child not to feel insecure.
